Happy Spring
from the Chrysalis Children’s Program

The children have been busy spending time with an oversized rabbit they found outside the Chrysalis Community Center. This rabbit brought them baskets full of candy, toys, and colored eggs.
Mark the Date
R. J. Corman 5K & Duathlon to benefit Chrysalis House
Saturday, October 13
We are currently seeking corporate sponsors.
Please contact Jodi at 859.977.2508 if you are interested in partnering with Chrysalis House on this exciting event.

Way to go Cats!!! Chrysalis House women and staff cheered on the Cats as they traveled down Versailles Road on their way to Rupp Arena for a victory party to celebrate their NCAA win.

April is Child Abuse Prevention Month. Prevent Child Abuse Kentucky (PCAK) utilizes a comprehensive approach to develop and promote effective programs through community involvement, public education and advocacy.

The pinwheel symbol is being used nationwide to raise awareness about child abuse and neglect prevention. It represents imagery of hope and promise. Every child deserves to be raised in a healthy, safe and nurturing environment.

Chrysalis House is proud to receive funding from PCAK which helps us achieve our vision of...building a Community, One Family at a Time.
