Prison Rape Elimination Act Annual Report July 2022-June 2023

During the fiscal year, July 2022 through June 2023, no reports of patient to patient nonconsensual sexual acts, patient to patient abusive sexual contact, patient to patient sexual harassment, staff sexual misconduct and/or staff sexual harassment were made to any Chrysalis House employee or the PREA Coordinator.

During the reporting period from July 2022-June 2023, the monthly average census for patients who meet the definition of a Kentucky Department of Corrections patient was 18.

A total of 144 patients and 57 staff persons received education regarding the Prison Rape Elimination Act (PREA).

Patient risk of victimization is monitored through weekly sessions with her mental health clinician and all patients receive an assessment with the domestic violence therapist that focuses on the patient's history of all interpersonal violence and current risk.
